2009 SPONSORSHIP OPPORTUNITIES

The Washington County Fair is the biggest event the county has each year. Our attendance has grown to approximately 50,000 people. With economy the way it is, some families make the Fair their only summer vacation! The Fair gives its residents opportunities to showcase their talents whether it be entertaining, quilting, crafting, photography, fruits & vegetables....you name it! There is a ribbon and premium for everyone who enters! From the beginning in 1860, there has been a need for a Fair to build up morale, and to unite the county!

Design your own package with what would benefit your business. We are willing to work with you to make it a very positive and profitable event for you!
